why not visit Seychelles?

True luxury is not just about what you do, it's about how you feel.

For 125 years we have gone out of our way to give you the warmest welcome, the richest experiences and the fondest of memories. From the classic colonial splendour of Raffles Singapore (where the legend began) to the deserts of Dubai, via Praslin, Siem Reap, Paris and Makkah, the Raffles name is synonymous with luxury, glamour and extraordinary adventure.

Reaching one of the world's most far flung destinations, nestled in the Indian Ocean, the island of Praslin is the launch point for a myriad of activities and home to natural wonders.

An oasis of laidback luxury, Raffles Seychelles instills a sense of wellbeing and creates an atmosphere of blissful relaxation, ideal for the paradise seeker.

## ❧ Taxi Boat Transfers ❧

### **La Digue Island - €290 Return Transfer for 2**

Stunning photo opportunities, serenity, tropical scenery, nostalgic idyll: this is La Digue, the third largest inhabited island of the Seychelles in terms of population, and for many, the most special. Let our concierge team assist you with the arrangements, and choose one of the unique means of transportation while on La Digue, from the more traditional ox cart or bicycle to the more modern island buggies & taxis for hire.

If you wish to enjoy a picturesque hike, get there early morning, and venture to Anse Marron trail with the help of a guide, follow the path that leads you to the “secret” beach of Fond Blanc. Then head back to discover the most popular spot on La Digue, and go to Source D’Argent by crossing L’Union Estate. On the way be sure to visit the vanilla and coconut plantations, and do not miss the traditional making of coconut oil with the help of cows. Our favourite spot for lunch is the typical creole restaurant, Chez Jules.

### **Curieuse Island - €175 Return Transfer for 2**

Easily accessible via a 10-minute taxi boat ride from Raffles Seychelles, the island of Curieuse is celebrated as the home of almost 500 Aldabra giant tortoises. The boat skipper will drop you off on one side of the island, where you can spend some time with the land tortoises in their element. After, you can set out for a 45-minute trail leading you to the front beach of Anse St.Jose. The skipper will meet you there and will bring you back to Praslin.

Should you wish to spend some more time on the beach of Curieuse, you can prearrange a picnic, and the skipper can hand it over to you once you reach the beach after the trail.

Picnic hamper for two (food only) - €84

Travel seamlessly between the inner islands with a taxi boat, they will take you to your destination in style and pick you up whenever you arrange to leave.

## Nearby Islands for Snorkelling

Coco Islands - The surrounding waters of Coco have been a marine park since 1996 and are a spectacular spot for snorkeling and diving. All types of fish, and if you are lucky sea turtles await.

Sister Islands - The islands of Grande Soeur and Petite Soeur are granitic islands covered with tropical forests, and their pristine reef makes for another great snorkeling spot. Sister islands are privately owned, and a landing fee applies if you want to enjoy their sandy beaches.

#### Fond Ferdinand Nature Reserve

Although less known than the Vallée de Mai, Fond Ferdinand is more than six times larger and is richer in terms of endemic plant and animal species. It includes roughly as many Coco de Mer palms as the Vallée de Mai, and has the added bonus of a hike that culminates on a viewpoint showcasing Curieuse, Sister Island, Coco Island, Round Island, Félicité, and La Digue in one direction, while in the other direction you can spot Frégate, Mahé, and Silhouette.

#### From Anse Lazio To Anse Georgette

This trail offers beautiful views of the ocean linking two of Seychelles' most beautiful beaches. *\*This trail is a moderate 2 hour hike that requires a scheduled guide and prior planning. See our Concierge for further information.*
